

Open Day!

619 Pershore Road B29 7HA
Saturday 26th March – 10am – 3pm

If you are looking for a safe, spacious, caring, and fun nursery for your child then look no further!

Established in 2000 but has recently undergone an amazing extension and refurbishment to improve and modernise the already large bright building.

Spaces for children aged 3 months to 4 years and funded places for 2, 3 and 4-year-olds, with care and learning opportunities provided by our qualified and highly experienced staff.

Prime location, on a main commuter route and close to the city centre yet we still have a large outdoor play space and a separate outdoor play space for our under 2's also.

**Register with us after attending our open day
and you will receive 10% off your first bill.**
